BRITISH WINE & LUMBY LIVES LEAN MEASLY

A dark, vintage-style photograph of a man and a woman in a room, possibly a speakeasy. The man is on the left, wearing a suit and tie, looking towards the camera. The woman is on the right, wearing a dark dress and a pearl necklace, looking down. The background is dimly lit, showing architectural details like a brick wall and a doorway. The overall mood is mysterious and nostalgic.

This 2500 sqft newly renovated space features a touch of the 1920's and 30's mixed with our vintage warehouse aesthetic giving you the perfect add-on for your Loft event or a beautiful option as a stand-alone venue. The main area will feature soft lounge furniture, and community tables with stools (all removable) capped off with an original skylight unique to the Schepps building. But wait, is that just a brick wall...hit the right switch and a sliding, hidden wall exposes the Speakeasy! Equipped with a vintage mahogany bar and leather tufted sofas and chairs, this space will make you feel as if you are rubbing elbows with gangsters and outlaws alike from 100 years ago. The rental is \$2,500 depending on food & beverage.
